I enclose here a copy of the 25X1A5a1
current issue of [REDACTED]
for which you were good enough to allow
use of excerpts of the speech you delivered
to our Trustees Meeting last November 21.

The excerpts as they appear here
are either precisely the excerpts you
approved, or very close to them. By keep-
ing other material in this issue to an
absolute minimum, we are able to give
maximum space to the development of the
ideas in your speech.

Please accept my thanks for
your cooperation.

Sincerely,
